## FUNDamentals

Every year, the Percussive Arts Society International Convention (PASIC) features several "FUNDamentals" clinics geared for beginning percussionists and band/orchestra directors. These sessions provide essential information covering a variety of topics including drumset, marching percussion, mallet-keyboard playing, concert percussion and accessories.

Each session includes handouts that serve as valuable resource material. Selected handouts are available here, both in screen versions and as downloadable pdf files.

### DRUMSET

Drum Soloing Concepts  
By Terry O'Mahoney and Jim Royle
